Author Copyright Transfer and License Agreement

As the corresponding author, I confirm that I have the authority to act on behalf of all co-authors in submitting this manuscript to the *International Journal of Medical Justice (IJMJ)*.

1. Copyright Ownership

The copyright of this article remains with the author(s).

2. License to Publish

By submitting this manuscript, the author(s) grant the *International Journal of Medical Justice (IJMJ)* the **right of first publication** and a **non-exclusive license** to publish, distribute, and preserve the work in both print and electronic formats.

3. Rights Retained by Author(s)

Under this agreement, author(s) retain the right to:

- Reuse and republish their work in other publications
- Deposit the final published version in institutional repositories or on personal websites
- Share their work in academic forums, conferences, and with peers
- Translate the work or extend it into future research

All such uses must properly cite the original publication in *International Journal of Medical Justice (IJMJ)*.

4. License Terms

The article will be published under the **Creative Commons Attribution 4.0 International License (CC BY 4.0)**, which allows others to copy, distribute, remix, and build upon the work, even commercially, provided appropriate credit is given.

5. Declaration

The manuscript is original, has not been published elsewhere, and is not under consideration by any other publication. All co-authors have agreed to the submission, and there are no conflicts regarding intellectual property rights.
